## Here to help

At Evans, we understand the importance of getting things right for you and your clients. That's why we've put together this easy to follow step-by-step guide to help make things easier for you.

In this guide we'll cover product types, assembly information and chronologically set out the instructions on how to put the product together. The guide is part of the 'Evans Difference' giving our customers expert support which is designed to be easy to follow and hassle free.

**“THE EVANS  
DIFFERENCE”**

**STEP 1, TRACK TYPE:** - Check track type and track colour.

IMAGE 1 WOODGLIDE

IMAGE 2 KS

**STEP 2, TRACK SIZE:** - Cut pole to specified size, does the pole size include or exclude finials.

**STEP 3, CARRIER TYPE:** - Check carrier type and feed in to the track as below, if the carriers are Easy wave, Easy flex or Easy fold they must be an even number.

IMAGE 3 (780001 KS)

IMAGE 4 EASYWAVE CARRIER DISTANCE

IMAGE 5 EASYFLEX CARRIER DISTANCE

IMAGE 6

**STEP 4, OVERLAP UNDERLAP REQUIRED:** - If yes please see below, insert inside the track profile before adding the carriers.

IMAGE 7 780020 (OVERLAP KS, DS) 780021 (UNDERLAP KS) STD CARRIERS IMAGE 8 784002 (BUTT UPS) FOR EASYWAVE AND EASYFLEX (KS)

**STEP 5, STACK:** - Check stack position, is this a pair of curtains. Single left hand curtain or single right hand curtain.

IMAGE 9 (MID STACK)

IMAGE 10 (LEFT STACK)

IMAGE 11 (RIGHT STACK)

**STEP 6, STOP CARRIERS REQUIRED:** - If yes see image below. Insert between leading carrier and second carrier, use two for a pair and one for a single curtain.

IMAGE 13

**STEP 7, TWIST ENDSTOP (DEPENDS ON CARRIERS OPTION):** -

IMAGE 13 (STANDARD CARRIERS 780006 twist endstop)

IMAGE 14 (EASYWAVE, EASYFLEX, EASYFOLD twist endstop)

**STEP 8, TRACK ASSEMBLY:** - Once the components have been picked insert the carriers in to the track (SEE IMAGE 1) below and in to the stack position (SEE PART 5), once carriers are in place apply twist endstop at the end for standard carriers (see image 15) and between the last two carriers for wave carriers (see image 17). If the track is under 3 meters please add the track to pole and pack in a tube and pack finials and brackets separately in a box, if over 3 meters pack the track in one tube, the pole in another tube and the finials and brackets in to a box.

## WEBTEX ONLINE ORDERING

We understand life gets busy, often the working hours slip away and picking up the phone or emailing during office hours can be a hassle. That's why at Evans we try to make things easier, you can place your order online using our Webtex system whenever works for you and you'll enjoy lots of benefits...

### FAST

It only takes 5 minutes to put through an order online and if it's before 4pm on a weekday, we'll prioritise your order for a speedy delivery (excludes M2M items)

### EXCLUSIVITY

As a privilege to our customers, some of our products are available with a lovely little discount on our website. All M2M tracks and blinds on webtex receive an automatic 10% discount plus if you order 3 more, carriage is completely free of charge!

### SHOP 24/7

There is nothing easier or more comfortable than ordering your products with Evans Textiles from your own workplace, on the go or in the comfort of your own home 24 hours a day, seven days a week!

### DELIVERY THE VERY NEXT DAY

Evans Textiles delivers to the whole of the UK mainland and if you order by 4pm via Webtex we'll ensure your consignment gets to you the following day as standard (excludes M2M)

Evans Textiles (Sales) Ltd, Helmet Street, Manchester, M1 2NT

Registered in England No. 6186585 Part of the Evans Group of Companies
